

Dear Pastor or Leader:

I pray that we can all join in this movement of love and prayer for our community that greatly needs it.

“Again I tell you, if two of you agreed on earth about anything you ask, it will be done to you by my Father who is in heaven. Because where two or three are gathered in my name, there I am in their midst.” Matthew 18:20

Jesus has revealed to us the power of prayer in groups. When we pray like this, we are not alone, Jesus Christ is in our midst.

When we pray for the peace of our country or our city, we are praying for something that will directly affect us. Jeremiah 29: 7 says “And seek the peace of city to which I had them transported, and pray for it to Jehovah; because in his peace you will have peace.” Let us always pray for this city, this country, and the leaders who have the responsibility to govern. To pray for them is to pray for our own wellness.

This prayer and fasting campaign will be from September 2019 to Thursday, May 7, 2020, which is National Day of Prayer. The idea is that you commit to praying one day of the week, at the same time other churches in other cities will be joining in prayer. It will be exciting to see what God will do by seeing the unity of his church. On May 7 we will end together in a worship concert, of which we will give you the details later.

Together serving Jesus Christ.
